

It is with much disappointment, that we are announcing that we will be CANCELING the 2020 Missing Persons Awareness Event that was scheduled for April 4, 2020.

2 weeks prior to our event, Coronavirus restrictions caused us to have to postpone our event. We have waited and hoped that with time, we would have more of an idea of what things would look like to be able to reschedule our event.

6 weeks have passed since the event date, and we still don't have a clear picture on when things will resume any type of normalcy, to allow us to come together for this event.

We have decided, it would be best to go ahead and cancel this year's event, and hope to begin planning next year's event once we have more of an idea on how things are going to look. We will begin sharing information for NEXT YEAR'S Event as we move along in the planning process.

We are sorry to those that were looking forward to the event, and want you to know that we pour our hearts into the planning of this event for months, and we are very sad that we can't have it this year. All donors and sponsors will receive recognition in next year's program, as well as a post here on our page, and on our website. THANK YOU for your continued support!

If you have a basket or item you were going to bring to the event, you can hold onto it and bring it for next year.

If you ordered a T-shirt from our T-shirt Campaign, and were going to pick it up at the event, please reach out in a private message or email and we will figure out something on how to get it to you.

Stay safe, be healthy and take care! ❤️<3
